Toolkit

Practical ideas for reaching children and young people beyond the church

Alnwick  Monday 6 June 2016
God calls us to be a people who are blessed by him in order to be a blessing. We are called to share the good news and to serve a world in need. It's a calling to all of us who work with children and young people. Even more importantly, it is a calling for the children and young people themselves. But how does this work in practice?

Toolkit aims to provide lots of practical advice and ideas to help us all - adults, children and young people - to join in with what God is doing to share the good news with children and young people beyond the church.

The Toolkit opening session sets the scene, focusing on your vision for your group and practical ways of engaging in mission. This is then followed by a range of practical workshops including some or all of the following:

- Managing Behaviour
- Building positive relationships
- Games that teach
- Who cares about the Bible?
- Connecting with local schools
- Holiday activities and follow up

Our goal is for you to go away from the event with a fresh vision of how you and your group can live up to the calling to be God’s people where you are.
